Synopsis

You'll love coloring these 20 intricate line drawings based on the horses, menagerie animals and design motifs of four classic American merry-go-rounds. The location of each carousel, and the carver or company who produced it, is noted in captions alongside the artwork. Let your imagination wander to a simpler era, and experience hours of relaxing, stress-free joy creating your own masterpieces from these ready-to-color images. Each drawing is on its own single-sided page, and features a center margin so you can color all the way to the edges. There is also a blank barrier page after each drawing, so you can use markers and watercolor without worrying about bleed-through. You can view all the drawings in this book at ColoringJones.com

I absolutely love this book! The drawings are drop-dead gorgeous. ThereÃƒÂ¢Ã â ¬Ã â„¢s a nice mixture of complex scenes, individual horses (whole ones and close-ups),menagerie animals (my favorites are the cats and the frog), and decorative patterns. Some of these you could maybe color in a couple of hours, and others would take several days. Definitely not boring!The images are based on four famous merry-go-rounds in California, and there are captions along the inner margins telling where they are and who created them. The carousels included are: Santa Cruz Boardwalk (Charles Looff), Santa Monica Pier (Philadelphia Toboggan Company), Griffith Park, Los Angeles (Spillman Engineering) and Balboa Park, San Diego (Herschell-Spillman). There are 20 drawings in all, and they really capture the joyful feeling of these carousels and the lost era they represent.The 8 x 8-inch drawings are on single-sided pages, and thereÃƒÂ¢Ã â ¬Ã â„¢s a very light dotted line along the left edge of each one that you could use as a guide if you wanted to cut them out and frame them (IÃƒÂ¢Ã â ¬Ã â„¢m keeping mine in the book). The paper is kind of medium weight, and thereÃƒÂ¢Ã â ¬Ã â„¢s a blank page behind each drawing to prevent markers from bleeding through. A note on the intro page suggests sliding an additional piece of blank paper behind the page youÃƒÂ¢Ã â ¬Ã â„¢re coloring, and I think thatÃƒÂ¢Ã â ¬Ã â„¢s probably a good idea.I took a bunch of photos before I started coloring, and have attached some of them below. IÃƒÂ¢Ã â ¬Ã â„¢m ordering another copy of this book just to enjoy thedrawings, and maybe a few more for gifts. What fun!
