Customer Reviews

The music has some interesting rhythms and fingerings. It is definitely not for a novice pianist unless you only wish to play the melody lines. I saw the show on Broadway and there are some great nuggets in the show. A shame it closed as quickly as it did.

daughter loves it

The music is wonderful and now I have the chance to play it and sing it for myself at home!! It came exactly as expected, and arrived only two days after I placed the order.

Such a beautiful score! So glad to be able to have this music!
