Synopsis

Music has the wonderful ability to speak to our spirits and move us into a deeper worship of God. Especially the great truths of faith that are expressed in hymns. Now some of your most beloved authors share with you the scriptures and stories behind twelve favorite hymns, as well as the daily encouragement and rich spiritual application that you can find in each of them. Through this inspiring work the words that have spoken to your heart in the past will now have even greater meaning each time you sing them. A fully orchestrated CD featuring these glorious hymns is included. Together the book and CD give you a special keepsake and a fresh way to inspire your worship again and again. Listen to 30-second excerpts from the CD A Mighty Fortress is Our God It Is Well with My Soul O Worship the King O the Deep, Deep Love of Jesus I Know Whom I Have Believed Man of Sorrows! What a Name O Sacred Head, Now Wounded Immortal, Invisible, God Only Wise Breathe on Me, Breath of God O Love That Wilt Not Let Me Go Be Thou My Vision (full song) My Faith Has Found a Resting Place Problems? Customer Reviews

When I first became a Christian about 8 years ago, I somehow got the idea that praise and worship music was the truly "spiritual music" - hymns were old-fashioned, and people who enjoyed them did so because they were hide-bound by tradition. If you’re thinking this now, please listen to me.A year or so ago I heard about well-known and respected Christians like John MacArthur and Joni

Eareckson Tada talk about how the old hymns were so meaningful to them and really strengthened their faith. That got me thinking: so it's not just stodgy old 80-year olds who love those old hymns. Maybe there's something to them after all.So I got this book. And I have been so blessed by it. God has shown me that true worship is so much more than just a feeling. He wants all parts of me - my body, my soul, and my spirit - to be involved in worship. So many in churches today are satisfied with getting only their spirits involved; some want their body involved too (lifting hands, etc.); but the truly mature (I am coming to believe) also get their souls (or minds) involved. Your mind doesn't get involved when you just repeat "Isn't He" fifty times; it does when you sing (and really think about) the wonderful words to songs like "O, the Deep, Deep Love of Jesus" or "I Know Whom I Have Believed."These two songs and eight others are covered in this book. The four authors together make a very effective team, and generally write passages that use their own strong points. MacArthur (always the theologian) writes excellent Biblical exegeses behind the hymns. Joni writes messages full of feeling, often bringing in how she has felt as a quadroplegic and how God has taken her through the rough parts by showing her more and more of His grace. Robert Wolgemuth generally writes the histories, book publisher that he is. Finally, his wife Bobbie writes heartfelt reflections around the historical features and treats musical aspects from her point of view as a professional singer.So, get it, sing the songs, think about what Christ has done for you, think about the circumstances of their writing. And take your worship to another level.

This is a great book that gives devotions, and some history of the writing of several different hymns. We use it as a devotional with our children (aged 5-9) as we teach them the hymns and sing together.

I love this CD!! What a wonderful encouragement both the book and CD are to a Christian believer.

Very good book of hymns!

Love the historical value of this song book.

Old hymns that are full of worship and full of praise.God is magnified, praised, and adored in a very respectful way.

Great! Used book in great shape at a great book. Was shipped fast.

Love this!
