Customer Reviews

Truly a delightful read by the talented author Marguerite Hurrey Wolf. Laughter and tears will come from this volume for sure, a lovely gift for anyone

Never disappointed in books by Marguerite Hurrey Wolf. Discovered this was an earlier edition of a book we have under another title so gave it to friends and have now expanded the fan base for Mrs. Wolf.

I bought this book because I enjoy books by Marguerite Henry ('Misty of Chincoteague', etc.). I thought that with this particular book she included her married last name or something. This book is not written by Marguerite Henry Wolf. It is by Marguerite Hurrey Wolf. Big difference. I FEEL LIKE IT IS FALSE ADVERTISING. I am unlikely to purchase from this bookseller in the future. The book is somewhat interesting. Pretty well written. From a first person point of view. Just personal anecdotes about living in Vermont. But obviously published on a very low budget. Almost like hand-made, based on the exterior. Also a poor font. Kudos to the author if it was a first attempt at writing and publishing a book. However, very disappointing for someone expecting to receive an old hardcover Marguerite Henry novel.
