Grade Level: Preschool - 3

Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

I do the 25 days of Christmas books in December. I wrap each book ahead of time and my daughter opens one each day to read. We have done it the last 2 years. The first year I used a lot of older second hand Christmas books. Now each year I add a couple newer ones that are themes she currently likes. This was a great addition to our collection!

Purchased this book for a 24 day countdown to Christmas. I wrap up 24 books and put them in a open box. Then Dec. 1st I let one of my grandchildren open a book then I read it to them. This way they learn to count, listen, take turns and wait. It is fun to do.

You just can't go wrong with the Berenstain Bears. Kids love them. Adults love them. AND THE MESSAGE in all the books is teaching values. This particular one with the First Christmas is simple and easy for the children to understand. Great book. Don't hesitate.

I purchased the The Berenstain Bears, The Very First Christmas... I'm trying to collect 25 Christmas books for a toddler as an advent calendar. This book is a sweet retelling of the birth of Christ. And an excellent book to include in the project. I recommend it. It appears age appropriate. And the book can be read for years to come. I received this product at a discount in exchange for my honest and unbiased review. All opinions expressed are my own based on my personal experiences with the product. I received no monetary compensation and I am not required to give a good review. This disclosure is in accordance with the Federal Trade Commission's 16 CFR, Part 255: Guides Concerning the Use of Endorsements and Testimonials in Advertising

I was disappointed in this book because it contains the exact same story & artwork from the Berenstain Bears Storybook Bible. If you have that children's Bible, then this book may not be worth the money. If you don't, then this book is good to have.

The Berenstain Bears books are some of my grandsons' favorites. They ask for them to be read over and over!

Such a sweet Christmas book. We love it!

Adorable book! I purchased this for our literary advent calendar tradition. The 12 days of Christmas, done with a book each night. Perfect for our two year old daughter! Would buy again!
