Synopsis

Over seventy original progressive studies in a variety of jazz styles, by James Rae. A systematic, methodical approach that helps you to play stylish Jazz right from the beginning. The book is divided into three sections: Part One introduces the beginner to jazz rhythms, including swing quavers, syncopation and displaced accents. Customer Reviews

My wife loves this book for what it is. It is a great studies tool for warming up and provided her just what she needed to freshen up her skills after not having played for so long. The tabs were a nice surprise as well.

Great

nice book.
