Not Even For Love

Synopsis

On the surface, Jordan Hadlock has it all. A great job in Switzerland and the rich and renowned Swiss industrialist Helmut Eckherdt is intent on marrying her. What more could she ask for? A clap of thunder and a pounding on her door soon give her an answer. Reeves Grant appears seeking shelter from a sudden downpour, but the real storm is inside Jordan and the passion they share that night. The next morning he disappears without a trace. Still reeling from the encounter, Jordan plays hostess at Helmut's lavish dinner party, where it is announced that he and Jordan are to be wed -- at the very same moment she spies Reeves Grant snapping pictures of the event and her new "fiancé." Now Jordan is moving toward the altar with a man she doesn't love. And working on a feature of the wealthy Helmut is photojournalist Reeves Grant, bringing with him all the memories of the emotions she felt one special night.

*I must say, each time I read a love story by Sandra Brown I am in just as much awe as I was with the last one..... As she sat there alone in a storm, Jordan Hadlock was doing the last thing she wanted to be doing.....thinking. Why? She was happy wasn't she? She had a man who loved her or so he keeps saying but the truth was deep down, she knew that she did not love the spoiled and rich Helmut Eckherdt. It was then that she heard pounding below on the door of the bookstore. Running down the stairs as fast as she could, it suddenly occurred to her, who in their right mind would be out on a night like this? Should she open the door? With the pleading on the other side of the door, her mind is made up. With a swift and unrelenting decision, she opened the door only to see one of the most handsomest men she has ever seen and by the look on his face, the feeling was mutual. Apologizing for his abruptness, he explained that he hasn't been in Switzerland very long and needed to get out of the rain. She invited him to come upstairs for a cup of hot tea and he responded with a yes. With the power out, Jordan keeps thinking, "I can't believe I am doing this" but the truth was Jordan was missing something in her life and she still needed to explore whatever that was. When it is time for him to go in order to find a hotel, suddenly she blurts out "why don't you stay here?" Nervously giving him some blankets and a pillow, Jordan retires in her bedroom thinking only of the gorgeous stranger in the next room. When her door quietly opened and the stranger asked if she was afraid, she is stunned at herself when she answered no. Standing there breathless with the patter of rain, Jordan Hadlock gave and shared a wonderful and blissful night with a perfect stranger. Is this what is missing from her life....passion? Thinking of never seeing him again, Jordan had to attend a dinner engagement with Helmut and he was excited. Not only did he announce an engagement all right and shock her silly but he had another surprise. He wanted to introduce her to the photographer and his very best friend, Mr. Reeves Grant. The stranger! Embittered, Reeves snaps one picture after another but there all of Jordan. Little did she know that he never forgotten that perfect night. That the perfect picture of her was still implanted on his brain and for Jordan, she was bound to marry a man she did not love. Miserably, she finally figured what was missing in her life..."love"!.....Another love story that I just simply could not put down!!.....thank you

i did not even finish it and that has only happened 3 times in many many years and I read constantly. This was just awful

Purchased the book in error but was determined to read it anyway. Very disappointed as I love Sandra Brown's books. I have read about 20 of them. This book is not typical of her current works.

This story has no substance and was very painful to finish.

Good

Enjoyed the book even though it was different from what I have been reading. Main character was very real and in your thoughts after you finished the book. Strong empathy!!!!

I love Sandra Brown's books.

Sorry, I cannot give a summary of this novel at this time.....have not been well. Have not finished reading "The Daughters of Red Hill Hall".

This is another good book by Sandra Brown.
