The Secrets Of Freemasonry

Synopsis

This is a powerful and easy to read insight into one of the world's oldest secret societies or organizations. Elijah Muhammad makes a strong case with irrefutable evidence that their symbolism points directly to the American Blackman and woman's slavery, mental death and eventual "mental resurrection" (being raised).

Elijah Muhammad was born on October 7, 1897 in Sandersville, Georgia. He met his teacher, Master Fard Muhammad in Detroit, Michigan after migrating there in the early 1930's. Upon the departure of his teacher, Elijah Muhammad became the Leader, Teacher and Guide of what went from The Lost-Found Nation of Islam in North America to what is known today as the Nation of Islam. Notable students of the Messenger were Malcolm X Little, later named Malik El Shabazz, Cassius Clay, also named Muhammad Ali, and Louis Wilcox, later named Louis Farrakhan. Given the profundity of the writings of Elijah Muhammad, it would be an injustice to attempt to put it in a small synopsis; therefore pasting this link in your browser and visiting <http://www.memps.com>, will render the best and most accurate information available about Messenger Elijah Muhammad.

I think that Elijah Muhammad gives great details of the Blackman being Muslim by nature. We were stripped as a people of our identity and divine way of life. Islam is not a Religion and is the best way for us as a people to live in peace and harmony.

Disappointing

Nothing was secret in this one.

The Most Honorable Elijah Muhammad's teachings will certainly free us overnight!!! Mental slavery is what the Blackman and Woman suffers from.

This book was okay but not enough information.

It was very informative. It also confirmed a lot of my beliefs. It's a must read for true knowledge seekers.

I enjoyed reading this book. It provides the reader with a clear and concise view of freemasonry from the perspective of the Honorable Elijah Muhammad.

very informative
