Customer Reviews

The info in this book (actually booklet) is readily available on the Atkins website with lots more details online than you get from this book(let). This book(let) has about 20 pages of superficial information about the Atkins diet, but nothing in depth and it is not a replacement for the real Atkins books available that have significantly more info. The book(let) does have a bunch of recipes so I added a star for that, though I did not research to see if these are just recipes readily available on the internet, though I suspect they are. I was duped by all of the previous 5 stars reviews, though in looking up the reviewers most of those are quite dubious in nature. This review is to save you from

spending your money like I did. I plan to return the book(let). Thanks for reading.

This book was too general to be helpful, and the recipes weren't especially appealing, either.

Satisfied

Not everyone's body responds the same way to different approaches to losing weight. The key is to find a match for your body and metabolism. Great recipes book with delicious 51 recipes. By reading it, you will be able to have some ideas about how atkins diet works as well.

This book here is a really awesome overview of the Atkins diet that most people are trying out these days. Luckily, I found this book and did not doubt but buy it immediately. I read it and slowly I learned the basic ways to practice this type of diet. So far he has done well. Thank you for the guide and download..

Wow!!! This book was amazing. The book is packed with delicious and healthy low carb diet recipes. Most of the recipes are easy to make and the directions are easy to follow. I can eat my favorite food without having that guilt feeling. Atkins diet followers must take a look at this book.

This is a great and informative book! This book is exceptionally elegantly composed and simple to understand. This book gave me a ton of smart thoughts about a low carb way of life. It is significantly less demanding than I thought. Recommended. Thank you Dave! Such a helpful book!

I have never tried Atkins diet yet so I think this diet is so essential to have a healthy life. This book provides reliable information in how to perform this diet properly. This is a good start to anew lifestyle
