# Employment And Labor Law

## Synopsis

Now you can give students of business and other non-legal professions the comprehensive introduction to employment and labor-relations law they need with **EMPLOYMENT AND LABOR LAW, 9E**. Specially designed for the non-legal student, this book uses real case excerpts to encourage critical reasoning and illustrate how labor-related disputes arise and are resolved in the courts. Enlightening chapter features, such as The Working Law and Ethical Dilemma, connect with students by showing how labor legislation and ethical decision-making impact employees at all levels of organizations today. This edition highlights the latest information on timely issues, such as the NLRB and EEOC, the Fair Labor Standards Act, President Obama's executive orders regarding undocumented immigrants and LGBT rights, Obamacare, the Defense of Marriage Act, and other employee-benefits developments. No other book on the market contains such a balanced coverage combined with a proven, student-friendly approach.
