Cuckold Erotica Bundle: Two Complete Cuckolding Series: Cuckolds In Paradise And Cuckolding My Billionaire Husband

Synopsis

Real life cuckoldress Raven Merlot is proud to present two of her cuckolding series in one exciting package! Included in this audiobook are Raven Merlot's second and third cuckolding series.

Cuckolds in Paradise: "Eden Redux" is a tropical swingers resort where people come to make their most forbidden fantasies come true. Kate and Eli came to fulfill their long held dream of getting knocked up, and they'll get help from every man on the island before they are done. In their sexual relationship, Kate is the boss. She has no qualms about lining up men to give her pleasure while her husband watches, encouraging them and telling her how much he loves her. Jesse and Danielle arrived at the resort not knowing what to expect. They were curious but never expected to meet a couple like Kate and Eli, let alone be inspired by them. Cuckolding My Billionaire Husband: John is like every other billionaire. He's arrogant and entitled. He even thinks he can cheat on his wife. When she finds out she turns the tables on him and forces him become her cuckolded slave. He learns to anticipate her every desire and willingly abandon his pride for his wife's lusts for other men. Included in these series are multiple encounters between insatiably dominant women and men who are NOT their husbands. The unexplainable feelings of awkward, aroused inadequacy permeate the now cuckolded husbands who have no choice but to abandon their egos and their wives' bodies to the lusts and rough treatment of strange men. As with Raven Merlot's first series, My Husband, My Cuckold, these books do more than just describe graphic sex between married women and men who are not their husbands. They also focus on the feelings that the cuckolded men experience as they watch their wives receive previously unimaginable amounts of pleasure from young, single men who gratefully worship a woman's body.

Customer Reviews

These were great stories and I'm glad they were available in a bundle.

These two series were as good as the first one, which I really enjoyed. I hope she is releasing more soon.

I've read lots of erotica. Getting two series for price was good and they were better than most erotica that I've read. I'll check out here other stuff.

Two good erotica series. I liked the billionaire one a little bit more but I love billionaire stuff. Both were good and funny.

Very hot! I enjoyed it a lot.

Both of these stories were good and sexy. Would read again!
