Miniatures game

This is the third and last in a series of three Clone Wars Map Pack for the Star Wars Miniatures game. This map pack comes with one double sided maps -- two BRAND NEW maps total, plus two figures -- including one EXCLUSIVE figure. Here are the two key reasons I decided to give this item five stars. First, you get two figures with the map pack: Luminara Unduli, Jedi Master (see stats below) and a Battle Droid. And, while the Battle Droid is a reprint, the Luminara figure is exclusive to this map pack and is therefore unavailable anywhere else. Further, the Luminara figure is very good (maybe better) for the points. Here are her stats, special abilities, and force powers (note: a detailed description of each SA and FP is available in the Star Wars Minis Rule Book Glossary, or on the Wizards of the Coast web page): Luminara Unduli, Jedi Master -- Republic -- 40 points 110 Hit Pints 20 Defense 11 Attack 20 Damage SAs: Unique, Melee Attack, Double Attack, Soresu Style, Synergy FPs: Force 4, Lightsaber Reposte, Master SpeedSecond, and perhaps more importantly, this set includes a nice new double sided map -- two new maps total ("Chrystal Caves of Ilum" on one side and "Coruscant Streets" on the other side). To me, these two new maps alone are worth the entire price of the map pack (i.e., since the map you pick and play on can influence the game as

much as the figures you chose to play with). As noted in my other map pack reviews, the only downside to all the map packs is that if you are new to the game and just want to give it a try, then these new map packs are NOT the way to go. Instead, new players who want to try the game out should buy the Clone Wars Starter Set instead. As I wrote in my review of the starter set, it is very reasonably priced, includes six figures -- including two exclusive figures, two exclusive maps, and everything else you need to play. In sum, I think this item is a great deal for the price, and I think most casual and experienced players will definitely want to purchase this map pack for the exclusive figure and the two new maps.
