My son's favorite books are Biscuit books. I ordered several on that I could not find in stores. If your child likes Biscuit, they will enjoy this book.

Perfect AR book. Just right for my daughter's reading level.

My 16-month-old daughter loves all the Biscuit books. I read it to her as bedtime stories.. I collected all the stories except "Biscuit Goes to Sleep" because it's about Biscuit pulling all kinds of tricks to avoid going to sleep. Not a good thing for a toddler to learn before bedtime. lol

Loved this book as well. Children love books especially about cats and dogs and it was received in good condition

Great for beginning readers.

Love the biscuit books for my first grader !

My children love this book.

biscuit is fun for new readers to start learning basic words and concepts. then you can ask the children little questions about why things happen and how people feel.
