Disney Pirates Of The Caribbean: Dead Men Tell No Tales Movie Graphic Novel

Synopsis

Captain Jack feels the winds of ill-fortune blowing strongly his way when deadly ghost sailors, led by the terrifying Captain Salazar, escape from the Devil's Triangle bent on killing every pirate at sea – notably Jack. Jack's only hope of survival lies in the legendary Trident of Poseidon, but to find it he must forge an uneasy alliance with Carina Smyth, a brilliant and beautiful astronomer, and Henry, a headstrong young sailor in the Royal Navy. Fans excited for this new voyage will love the graphic novel adaptation of Disney Pirates of the Caribbean: Dead Men Tell No Tales drawn by Disney's own master artists.

For more information, visit disneypublishingworldwide.com.

Its in the old Disney magazine style kind of and I like that. This is worth the money and great to have. Friends went nuts when I showed them it.

Very good

Smaller than a traditional graphic novel and very quickly paced, but the art is good and you get a prequel story for the female character as a bonus extra read.
