Enchanted Doll

Synopsis

More than mere playthings, Enchanted Dolls are elegantly sculpted and articulated works of art. Strikingly nude, engraved or adorned in opulent sculptural costumes of precious metals, gemstones, and rare found objects, each doll intricately conveys an aspect of our humanity. Unique and delicate, their forms evoke a strong emotional response, haunting us with their vulnerability. All at once innocent and sexual, Enchanted Dolls depict highly stylized images of femininity, while at the same time reflecting on life's playful naivete.

Customer Reviews

"... I love making dolls because it's a multidisciplinary art form. To create a doll I get to do it all: sculpture, industrial design, painting, engraving, mold-making, drawing, metalwork, fashion and jewelry design. I want it all, or nothing!" - Marina Bychkova

Marina Bychkova is a Russian-Canadian figurative artist and a founder of Enchanted Doll(TM)- a luxury toy label of exquisite, porcelain dolls.

Some typos, luxurious glossy full color photos on pretty much every page, but nothing they don't have on the website.

Marina creates one of the most beautiful high-end dolls for collection, and her book is my constant

inspiration. She has perfect exquisite detailing and unique style of faces and bodies. The book has beautiful pictures of the dolls and her own stories behind creation of each.

beautiful book

Finally got this book. It's well edited. But the quality of images is not high as I thought. Maybe I am too picky after working publish house for years. It's still good for keep of record of the artists' works.

this is absolutely the most wonderful Doll Book that I have ever seen or better yet the pleasure to own, thank you so much I know it was a lot of work to get there. Christel V

This book is unbelievably beautiful! These dolls are so beautiful and Marina tells the story behind every each of them. It worth every dollar spent on this! Absolutely!

This book is one kind of exquisite art, I guarantee. But the price is too expensive and I wish for more of latest collection inside the content.

Unbelievably Beautiful! I like Enchanted Doll very much! ~But when I received the book I found that the spine of the book was hurt.
