Customer Reviews

When I registered for the 'New SAT with Essay', I had no idea of what I would need to write in order to get a very good score. After reading this book, however, I feel very confident about my test day. One of the best parts of the book is where Shaan tells you 8 argumentative tools you can find in almost any Essay passage the SAT throws at you. You later use those tools in the Essay template to write an engaging Essay(a high scoring one!)

I'm amazed with this author, I've purchased all of his books regarding the English part in the SAT and they are indispensable !100% recommended !Perfect price !

This book really works to improve your score on the SAT! The amount of depth that he goes into and the strategies that he uses are sooooo effective!!!! You need to buy this book.

It was very good. Helped my son a lot. Recommend for everyone. Pairs with his sat class that Shaan offers.

Got me a perfect score on the SAT Essay

Extremely helpful!!

As a professional sat teacher for almost five years, I highly recommend this wonderful book. It will save you tremendous effort since the old sat essay really discouraged many of my beloved students. Hope this book can give them a fresh start with the new one.

Mr. Patel clearly put a great deal of effort into his extremely helpful prep book. I looked at many and he has done a far better job at creating a student friendly prep book than any of the others.
