The New York Celebrity Address Directory: 1000+ Celebrity Mail Addresses For Autograph Hunters, Fundraisers, Event Managers, Agents, And Casting Calls.

Synopsis

For almost a decade I made my living sourcing authentic autographs and supplying them to some of the biggest private collectors and dealers on the planet, I have also built up a substantial private collection of autographs and memorabilia in the process. Key to my success in the industry has been dozens of different sources of celebrity addresses, celebrity agent addresses, and commission based employees who have been paid to stand outside celebrity haunts worldwide from Los Angeles to London. One of the biggest frustrations facing any autograph hunter is the distinct lack of directories or lists which are dedicated solely to locally based celebrities; working through massive lists of American celebrity addresses or global celebrity addresses trying to pinpoint addresses in your locality is extremely frustrating and time consuming. To counter this I slowly but surely built up a list of celebrity addresses by locality which had yielded a reply from a letter; this book, like the rest of my books, is the result of those efforts. This directory features the addresses of only celebrities based in New York City or New York State! Whilst I can make no guarantees to the current validity of these addresses, things can change quickly, every single address has had a reply of some sort. It is more often than not that reply has included a signed photograph as requested! This list is also of benefit to other parties of course, charities seeking celebrity endorsements or donations of autographs or memorabilia for fundraising auctions will find it invaluable, another party to rely heavily on celebrity address lists are those involved in TV, documentaries, or the print media. All of the celebrity addresses have been sorted into alphabetical order for your convenience, I am sure that you will be eagerly bookmarking or writing down address after address once you delve in and see the calibre of the names listed! Overview of this publication:- 1000 New York Celebrity Addresses- Listed in alphabetical order- Confirmed as valid- Guaranteed high success rate!- Contains autograph hunting tips
