# Extinct Animals

## Synopsis

A book about extinct animals can possibly help spark a child's imagination by presenting the child with descriptions of animals that encourage visualization. The extinct animals that are described are no longer around for a child to look at in person at a zoo, and, in some cases, there are no pictures of the extinct animals that are being referred to. When reading descriptions of extinct animals, a child may try to visualize what a certain animal may have looked like and how it moved.

## Book Information

File Size: 6829 KB

Print Length: 50 pages

Publisher: Speedy Kids (January 3, 2015)

Publication Date: January 3, 2015

Best Sellers Rank: #1,759,970 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #28 in Books > Teens > Education & Reference > Social Science > Archaeology #30 in Books > Teens > Education & Reference > History > Prehistoric #109 in Kindle Store > Kindle eBooks > Nonfiction > Science > Biological Sciences > Animals > Dinosaurs

## Customer Reviews

I would have given this a solid four stars, but the font was almost illegible. Horrible, horrible choice. The editor or whoever picks the font should be fired or return to their junior high newspaper...

This is the nuttiest book ever - photos don't match to the description. Some pages are repeated. Bad book. Publishers should be ashamed. Please take it off distribution, .
