Customer Reviews

Cooperstown resident Brenda Berstler applies the vast knowledge that made her a Jeopardy! champion to her second book about her adopted Upstate home. Incorporating a lifelong passion for food (that she continues to hone at her Village bed and breakfast,) with her extensive travel experience and knowledge of history, literature and baseball, she creates a thoroughly interesting guide to the Cooperstown area, using food as the constant and comforting background. A Missouri native, look for her occasional homages to fellow Missourians Mark Twain and T.S. Eliot.

A very well thought out collection of recipes from local businesses and vendors in Cooperstown NY

and surrounding areas. They make wonderful gifts for people and I have been complimented on every recipe I got from this book! Great cook book. A +
