Customer Reviews

It was a nice story, finished on the tiniest bit of a cliff hanger but still enjoyed. Cant wait to read the next when i comes out. Recommend if you like short fast paced reads!

An addicting series. I read the first two books in one day, now I can not wait for the next installment.

This is a great series. It hooks you from the very beginning. You get invested in these characters from the very first book! You need to read the stories in order. You won't be disappointed! I can not wait for the next book! So good and such an original plot!!!!
