Kuroko's Basketball, Vol. 1: Includes Vols. 1 & 2 (Kurokoâ€™s Basketball)

Synopsis

When incoming first-year student Taiga Kagami joins the Seirin High basketball team, he meets Tetsuya Kuroko, a mysterious boy whoâ ™s plain beyond words. But Kagamiâ ™s in for the shock of his life when he learns that the practically invisible Kuroko was once a member of â œthe Miracle Generationâ •â ” the undefeated legendary teamâ ”and he wants Kagamiâ ™s help taking down each of his old teammates!

Customer Reviews

Loved the anime, own the manga in Japanese. SO glad to finally see this series getting an english release! Would've preferred a single volume release, but I'll take what I can get when it comes to sports manga.

I'm a huge fan of the anime and am so happy that this series is being published in English. I think this series demonstrates a lot of what makes shonen manga great (e.g., friendship, effort, victory! comedy and action without pointless interpersonal drama) without being just like every other Jump series out there. I find a quietly hilarious and unexpectedly skilled protagonist like Kuroko so refreshing and I think this series nicely balances games with practice and other school activities. I

do wish the art in these first two volumes was as good as it becomes later on, but really that's just because I think this series (eventually) has the best art of any Jump sports series and I just can't wait for more volumes to come out.

I bought this right after I had been informed of and had finished watching the anime version of this series. Being able to have one of my favorite series of all time turned into a book is a blessing. Would definitely recommend this to all who enjoyed the anime or who are new to the series and prefer to read manga over watching anime.

Love this and it came on time would recommend it.

Just what you'd expect, it's great! Much easier to have a 2 in 1 than 2 manga

Kind of sad that there wasn't an option to buy each manga separately but this way was cheaper anyway

Great to have it translated to English and even getting 2 in 1! You can't do wrong with this product!

One Of The Pages Was Ripped Out But Still In Its Place.
