Synopsis

The Electric Guitar Primer Book For Beginners Deluxe Edition with DVD & CD by Bert Casey is a unique and effective beginning guitar course that combines popular songs with step by step, easy to follow instructions. Based on over 25 years of both private and classroom instruction, it includes everything the beginning guitar student needs to start playing right away (strumming chords, rock & roll riffs, easy to understand diagrams & pictures, complete chord chart, scales, barre chords). The student plays along with a full band on all of the 12 song examples. This course starts the student on the road to becoming a rock & roll player by learning how to play electric guitar.

Bert Casey has been a professional performer and teacher in the Atlanta area for over 35 years. Bert plays several instruments (acoustic guitar, electric guitar, bass guitar, mandolin, banjo, ukulele, and flute) and has written eight instructional courses (Acoustic Guitar Primer, Acoustic Guitar Book 2, Electric Guitar Primer, Bass Guitar Primer, Mandolin Primer, Ukulele Primer, Flatpicking Guitar Songs, and Bluegrass Fakebook). Bert performed for several years in Atlanta and the Southeast with his bands Home Remedy and Blue Moon. 25 years ago, Bert Casey and Geoff Hohwald started Watch & Learn to help revolutionize music instructional courses by developing well thought out, step by step instructional methods that were tested for effectiveness on beginners before publication. These products, which have dramatically improved the understanding and success of beginning students, have evolved into the Watch & Learn system that continues to set the standard

of music instruction today. This has resulted in sales of more than three million products since 1979.
