Synopsis

Features a wide range of the very best work designed by journalistic, design, and publishing talent worldwide, set in stunning full-page layouts. Judged by a worldwide panel of top designers, the 42nd edition of Rockport's best-selling SPD series celebrates the journalists, editorial directors, photographers, and other talented individuals who brought events of the year 2006 -- with all its triumphs and disasters -- to our doorsteps and computer screens. Stunning full-page layouts present everything from products to people, and objects to events, in ways that make each palpable and unforgettable. Featuring work published in a wide range of mediums and created by journalistic, design, and publishing talent from around the world, this stunning volume celebrates the people and firms who represent editorial design at its best.

Customer Reviews

The Society of Publication Designers is the only organization that specifically addresses the concerns of trade, corporate, institutional, newspaper, and consumer editorial art directors. The SPD encourages artistic excellence by annually judging the work of thousands of design

professionals in the United States and abroad.
