Two Sisters: A Gripping Psychological Thriller With A Twist

Synopsis

Two Sisters is a gripping, intriguing mystery and an entertaining, thrilling story. Nicki's Life of Crime They told us he had been missing for nearly two days, that he probably drowned. They told us a lie. Megan was ten years old when her older brother, Zac, went missing among the cliffs, caves and beaches that surround the small seaside town of Whitecliff. A decade later and a car crash has claimed the lives of her parents. Megan and her younger sister Chloe return to Whitecliff one summer for the first time since their brother's disappearance. Megan says it's to get her parents' affairs in order. There are boxes to pack, junk to clear, a rundown cottage to sell. But that's not the real reason. Megan has come to confront her family's past after receiving a postcard on the day of her parents' funeral. It had a photograph of Whitecliff on the front and a single letter on the back. Z for Zac. A totally gripping psychological thriller that will have fans of Louise Jensen, The Girl on the Train and The Silent Child absolutely hooked. Read what everyone is saying about Two Sisters: An atmospheric page-turner that will appeal to anyone looking for a quality psychological thriller. The perfect summer read. Mark Edwards I love this book so much and it is definitely one of my favorites. I read this book in one sitting because I could not get out of the story. Stylish Brunette Will have the reader hooked from the start. This was a great introduction to a new author to me and I cannot wait to read more. By the Letters Book Reviews This book was really amazing! It kept me gripped. It is amazing how the author weaves the tale and it just keeps the reader engrossed and everything was never what it seemed. An absolutely brilliant book, I highly recommend it. Goodreads Reviewer This book was wonderful, there were lots of twists and turns that I didn't see coming so it kept me engaged all the way through the book. I really had a hard time putting this one down. Awesome read. Bonnie's Book Talk This is my first introduction to Kerry Wilkinson. I know, right? Where the heck have I been? But it definitely won't be my last! Novel Deelight's An engrossing and twisty read. Highly recommended! Bibliophile Book Club A perfect summer holiday read. It's sharp, cool, witty, and fresh. I loved it, it's by far my favourite thriller of the Summer so far. Behind Green Eyes Excellent read...I read this book in one sitting! Goodreads Reviewer

Customer Reviews

It took me a while to get into the story but once the pieces started coming together, I didn't come up for air. I enjoyed the characters and the twist at the end.

This was a good read although the conclusion was a little weak. I enjoyed it despite that one flaw and recommend it for light and enjoyable entertainment.

I enjoyed this book very much. I became increasingly interested and was reluctant to put away until it was finished.

It was an ok book but felt it ran on a bit..it wasn't a book that I couldn't put down but it was easy read..

The twists were not unexpected and I figured out most of them early on, but it still kept my interest.

i started out not liking megan at all. i almost stopped reading the book because of this but i'm glad i didn't. she really grew on me as did the story.

Very good, first book I've read of Kerry Wilkinson's. It was a bit slow to start with but action picked up and didn't want it to end.

An excellent read for those who enjoy a mystery which keeps you guessing.
