Customer Reviews

Fantastic end of the season! Everything was so tense, and it was so emotional when (spoilers spoilers) between Skeleton Steve and Elias. Great for kids AND adults! Looking forward to season 2!

skeleton steve makes great books,skeleton steve has lots of picks,This book and the series was great and cool and awesome and suprising. I started reading this series expeting it to be okay and like most books, but this series made me more wanting to read and constantly checking if the next book was out or not. Of course I didn't check every second, but I checked most couple of days. After reading this last book, I couldn't wait for season 2 to come out! I've been reaading some of your other books and they are pretty cool and are like this. My favorite character in this was of course the main character since it was in his perspective, but I also liked the other characters. There were lots of action and suspense, which led me reading more, even throughout some of the night when I was supposed to sleep. Great series and please make the whole next series come out soon so I don't have to keep constantly checking on the next book to come out throughout the days I have nothing else to read. Keep going Skeleton Steve and hopefully Season Two can be just as awesome as season 1. Thanks,From A FAN OF SKELETON STEVE AND HIS SERIES OF MINECRAFT BOOKSPs.
