Beyond Bluegrass Mandolin - Book/Cd

Synopsis

(Berklee Guide). Improvise with more expression and freedom in bluegrass and related styles. These ideas, exercises, and etudes will help you expand your palette of improvisational techniques and sounds. Develop your versatility over the fingerboard, and master harmonic and rhythmic ideas on the mandolin. The CD has demonstration and play-along tracks, performed by an all-star band.

John McGann was one of the greats - love him and miss him

John and Matt have put together a great book here. If you're in a creative rut or just looking for something different get this book. There is a version for fiddle players too if you're in to that.

Great step away from the standard bluegrass genre. Easy to read and understand. Now I have only to practice more!

I bought it for a friend who uses it all the time and has seeming increased in her playing! Great price too!
