## Customer Reviews

Loved this book it is 4 weddings with a story told in increments by another saved by the pack story entwined. Characters are so well developed that you like them. Great dialogue and some hot scenes too. What more could you want in a series? Read J M Klaire you won't regret the time spent.

I love J. M. Klairé stories. They are hot, sexy, stories of finding your true mate. The way the characters interact with family, friends & other people who come into lives is important to the plot & stories.

Everybody is gathered for all the weddings. Leesa comes and starts telling a story that keeps getting interrupted. This story is a lot of fun and full of action. It is a great way to end a series and finish each couples story. I received this as an ARC and voluntarily reviewed it.

I would recommend this book to anyone. It was an enjoyable tail and a nice ending to all the books would have liked it to be a little longer but it was totally still a good read

Four weddings and a coronation. I really enjoyed Lessa telling parts of the story about Mac before each of the weddings.
