Take A Walk: Portland: More Than 75 Walks In Natural Places From The Gorge To Hillsboro And Vancouver To Tualatin

Synopsis

This guide to walks in greater Portland includes more than 75 of the best routes and destinations, including such gems as Forest Park in Portland and Rooster Rock in Corbett. Each route described includes distances and notes the steepness of the trail. Highlighted are recommended walks for birders, art lovers, beachcombers, history buffs, gardeners, and those who seek disabled access. Walking trails in the Portland metropolitan area can take you to old-growth forests, hilltops with spectacular views, and riverside locations. Grab your walking shoes and start exploring!

Customer Reviews

"A fun, active, family-friendly take on popular destinations." [Booklist](#) "Great ideas on where to go -- without driving too far." [KATU TV Portland](#) "Details dozens of urban hikes around the Portland metropolitan area." [Gresham Outlook](#) "Great new title." [Annie Bloom's Books](#) "From wildlife-filled wetlands to Washougal's spiffy new waterfront, here are great greenspaces all within 30 miles of downtown." [Portland Monthly](#) "Offers up a ton of baby/kid/family-friendly trails| getting outside with your kiddo is totally worth it." [Portland Moms \(blog\)](#)

BRIAN BARKER joined the editorial staff of Portland Monthly in 2006 and has written the magazine's Trail of the Month/Field Notes column for the last nine years.

Excellent written and well organized seeing the Portland area

I think I was expecting too much ... I didn't find any walks or trails of hidden gems about which not too many people know.

This is good in that it lists out some good places to explore, if you're either visiting or new to Portland and don't know where all to go and check out -- however, I'm finding the trail maps to be horrible and unclear. For example, the trail/road map won't have any indication of where you start. They often have connecting/nearby trails on there as well with no distinction as to what this recommended walk is on the map of the network of trails. They'll mention an address as a pair of crossstreets and then it's unclear whether or not you can see those cross streets on the map on the page. So it's like I WANT to like it but am consistently having to google the places they're talking about in there.

I ordered two copies of "Take a Walk: Portland--to give to my two adult daughters for Mother's Day. Both love walking and hiking (with the dog or dogs, as case may be). Both familiar with much of what's in the area, but both also delighted at finding new places they weren't already familiar with, as well as the quality of information about the areas they already know. Consensus: this is an excellent book with valuable information for those in the Portland-Vancouver area. Highly recommend.
