Some Things Are Just Better New --This text refers to the Loose Leaf edition.

Literally brand new and I received my purchase within 2 business days. Highly recommend!

It came with the book ripped out of the binding.

Useless book. Waste of money. If it weren't required for school, i'd never even rent/buy it.

Ordered 8th edition to do homework for a course and recieved a 4th edition. I'm now screwed over on the homework until I can find another copy.

Binding fell apart within two weeks and I am sure will charge me for this.

No problems with it. Except a few wear & tear

Worked out awesome! Came quick. Wish I would get an email or something when I need to return it

A great job
