# Garfield Fat Cat 3-Pack, Vol. 2: A Triple Helping Of Classic Garfield Humor

## Synopsis

THREE BOOKS IN ONE A TRIPLE HELPING OF GARFIELD HUMOR MEANS THREE TIMES THE FUN! He used to be perfect, but now he's even better! Garfield, the fat cat with the super sized ego, is back in the spotlight, dissing his dimwitted owner Jon and even pilfering his pants. Some cats chase mice; Garfield prefers to take legal action. When down on the farm, the city kitty puts up with-and puts down-Jon and his barnyard brother. No wonder Garfield's often in a bad mood. But no matter what, he's always in the mood for food! The GARFIELD FAT CAT 3-PACK series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some super sized laughs with the insatiable cat, because too much fun is never enough!

Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program

and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.

I purchased for my 11 year old son who is obsessed with Garfield. This book is filled with classic Garfield comics, just like in the "Funny" Section of the Sunday paper, only now all in one place. We own several volumes of the Garfield Fat Pack books, and he said so far this is his favorite. I love that I can find on where I cannot find in stores locally. Well priced and fast shipping was an added bonus as this mom forgot as a Christmas gift. It arrived in plenty of time.

I bought both the vol 1 (3-pack) and vol 2 together for my kids, and they love both books (9 year old who reads by himself and 4 year old who asks us to read to her every night!)...but it was easy to spot the "evolution" of garfield's image from the beginning of vol 1, when garfield was not the same look (and weight!) as half way through the book. by this vol. 2 book, garfield looks like the garfield we see nowadays, but the cartoon from vol 1 to vol 2 has been great throughout! love the clean jokes in the garfield series, with a little bit of violence that little kids will laugh about it (as garfield always kick odie out of the way...heehee...)

My son loves these. It's the only way we can get him to use the restroom! He has to have a Garfield book as reading material!

Great Garfield Book

Good book

Cute

My 6 year old loves this book and carries it around with him. I told him to pick a few items to bring camping with us and he chose this book. I've seen other Garfield books that he will look at for awhile but he loves this one because it is in full color and even though sometimes he can't read all the words he loves looking at the pictures and making up his own stories. PS my husband also loves reading Garfield!!!!!!

Garfield is a classic retro comic series starting in the late 70's and is still going today. Jim Davis creates the humour of the series which is still going strong. Who knows what they'll get up to some short strips and some longer stories that continue on. Garfield is hilarious in his affairs with others and himself. Enjoy
