My husband and I like doing cryptic puzzles together, especially on trips, when there are delays at airports, on train trips, etc. I bought this little book so it would be easy to carry in my purse, which it is. My only complaint is with the puzzle clues themselves, which are less inventive and interesting than many other cryptic puzzles we have done. Many anagrams, double meanings, etc., but fewer clever different kinds of word play. Still, worth the money and gives you hours of diversion.
