Few writers have been as attuned to the concerns and emotions of childhood as Margaret Wise Brown (1910-1952). A graduate of Hollins College and the progressive Bank Street College of Education, she combined her literary aspirations with the study of child development. Her unique ability to see the world through a child's eyes is unequalled. Her many classic books continue to delight thousands of young listeners and readers year after year. Muy pocos escritores de literatura infantil han logrado captar las emociones e inquietudes de la ni3ez como Margaret Wise Brown (1910-1952). Sus numerosos y ya cl3sicos libros y grabaciones contin3 an deleitando a lectores y oyentes de todas las edades.

I have been reading this book to my son for 5 years and he still loves it. I love the Spanish translation. I have given the CD/Book combo to friends and they and their children enjoy listening to it. It is a sweet, peaceful book to read at night with your little one.

This is a great book for a first grade class, I use it for story time in Spanish at school. It is a valuable resource if you are teaching Spanish at the same time you are touching down in content.

for my godson, parents very happy and service was excellent.

Great Spanish audio and book. Good narroator voice.

love that this is available in Spanish

Nice CD to go along with Spanish version of Good Night Moon.

love it!

Our (native English-speaking) toddler loves the book "Goodnight, Moon", which is an important part of our bedtime ritual. We recently purchased "Buenas Noches, Luna" as part of our goal to help expose him to other languages, and to particuylarly to teach him some Spanish. He enjoys both the book and CD, which come in a plastic book and CD case to keep them both safe.
