Customer Reviews

Great

Not what I expected. I was not looking for a picture book. I wanted a text that was a good review of WWII.

My son is a collector of WW II items and was happy to have this.

My son (4) loves the Titanic and loves this book. Great information and pictures.

My 9 year old son is obsessed with all things Titanic. This is a great book, well written, and with great photos. It is a large book filled with photos and information we hadn't seen before. We are happy with this purchase.

Good concise way to teach WW2 highlights to my home schooled teen.

Purchased this book and two other for a very bright young man of the age of ten ...he was delighted since he had an interest in history and the wars.

My 8 year old loves studying about the Titanic. He's fascinated with shipwrecks. This is the perfect book, as it has detailed photos, illustrations and descriptions.
