Learn Piano NOTES In 10 Minutes!

Synopsis

New Solution for beginners! Learn piano in MINUTES with this unique illustrated guide.* Wish you knew the basics? * Don't have a lot of extra time (or patience)? Fast & fun tutorial with easy learning tricks + memory tips! Quick visuals so you don't need a piano to follow along. 10 minutes is all it takes because a picture is worth a thousand words. Learning piano from "text-heavy" books can be dry & complicated. With new Smart Funnies 10-minute lessons, you'll know piano basics in a flash! Smart Funnies offers a "less is more" approach to learning - using SIMPLE VISUALS and humorous "funnies" to introduce new concepts. Funnies are not just ENTERTAINING, they're EASIER to remember. A friendly gopher character guides you through each image quickly & easily, sharing important points along the way. This series offers three 10-minute lessons without text overload: piano KEYS + piano NOTES + piano SYMBOLS (available as separate lessons, or integrated into a full collection). Great for ALL AGES - whether you've never taken lessons, are taking lessons now, or forgot lessons from your past. A refreshingly FUN, FAST & EASY way to learn! Available in both Print and Digital formats.

Customer Reviews

I bought all three in this series and I am glad that I did. Were they not so inexpensive-I'm not sure they would be worth it-ALL of the information (nemonic devices) are available through other sources and most of them are free. However, these books save you from searching or coming up with your own-and the books in and of themselves integrate the nemonic devices in the individual books and in the series.

It's good and has helpful tricks. I suggest reading volume number 1 first if your a beginner. I also suggest taking notes.

I needed a good book to learn how to read notes and this was a great place to start - fun to read and easy techniques to remember all the notes. Good price, great book.

We don't have a music background so this series is good for us. Also tried the first book and found it easy to follow with all the pics
