# STEEL: Night Rebels Motorcycle Club (Night Rebels MC Romance Book 1)

## Synopsis

A fierce and feared warrior. His name is Steel, and he's President of the Night Rebels MC. Part Navajo, part Irish, Steel is a respected leader of his brotherhood. With his tatted muscular body, ebony hair, and green eyes, he is a magnet to women. Never turning away a sexy body, he indulges in casual sex, but nothing more. For him, defending his brotherhood and protecting his teenage daughter are foremost. Falling in love and being in a long term relationship don't even make it on his list. He gave his heart to a woman when he was young and weak, but now he's strong and has no room in his heart for love. Then he meets his daughter's social worker. His attraction to her is intense. Desire flares through him, and he's drawn to her in a way that angers him. He doesn't have time for a woman, but he can't get the feisty, spirited caseworker out of his mind. He wants to run his callused fingers through her hair. He wants to crush his mouth to hers. He wants to devour her. But she resists him. No woman has ever resisted him. When he looks into her eyes, he sees the depths of sorrow and a spark of passion. She's touched him. He's never wanted a woman as much as he wants her. And he always gets what he wants—no matter what. From the moment Breanna Quine laid eyes on the rugged biker, her body betrayed her. And when she spotted the outlaw MC patch on his leather jacket, her blood turned to ice. Hating bikers since her father gave up his family for the brotherhood, Breanna swore to never be around them again. Then the captivating Night Rebels President's blazing, green-eyed gaze catches hers, and she is drawn to him like a moth is to fire. But she can't let herself fall for him, no matter how much her body buzzes whenever she is near him. As hard as she tries to fight her attraction to the dark, dangerous man, her resistance is weakening. Then when she sees his tenderness toward his daughter, it melts her heart. She has to keep reminding herself that he's not only a biker, but he's the worst kind—an outlaw. Steel has his hands full trying to figure out who is supplying drugs to the teens of Alina, Colorado. Time is running out for him as danger comes knocking at his door threatening to destroy his family and the woman whom he has vowed to make his own. Can two independent people put their past behind them in order to come together? Will they fight for love against the shadows and the danger that lurks all around them, threatening to destroy them forever? This is the first book in the Night Rebels MC Romance series. This is Steel's story. This book contains violence, strong language, and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. If any of these issues offend you, please do not read the book. HEA. No cliffhangers! The book is intended for readers over the age of 18.

## Customer Reviews

This story is no doubt one of my top reads of 2017. Steel is the President of his MC, which leaves him to take care of his guys. Breeana is a social worker, and one of her clients is Steel's 17 year old daughter. She is dealing with demons and drug use, and Breeana is doing all she can to help. Steel doesn't like the government in his business. Yet he can't fight the attraction to the social worker. Breeana doesn't trust bikers, as her dad was one and chose women and the club life over his family, yet she also can't fight the attraction between her and Steel. This book was deep and the passion between Steel and Breeana was amazing. The drug issues dealt with in this book were brilliantly told. I laughed at parts and bawled in others. This is a not to be missed book!!!!

An amazing story regarding Steel McVickers and Breanna Quine. Their difficult struggle was emotional at times. The author provided just the right amount of mystery and action to keep the book interesting. I enjoyed the characters, also the side characters really added something to the story line. The revealing of the mystery person was a twisted puzzle no one would ever suspect and on point. The drama was at an all time high and the Navajo reservation backdrop only heightened its appeal. The chemistry between Steel and Breanna was noticeable yet not strong enough due to dealing

with personal problems. Overall, an amazing read regarding a sensitive subject. I'm looking forward to reading the next book in this series.

NEVER SAW THE ENDING BEING LIKE

THAT! This book made me smile made me cry but it was such a good read that to see Breanna and Steel and how they just clicked even if they didn't want to accept it The club trying to figure out who's bringing the hard drugs and Breanna trying to keep a flout with not wanting her heart get hurt and figuring out what is going on with all these Ebt she finds out she can handle a lot more than she thought

This book reached me on so many levels. The accurate portrayal of a MC was gritty while the degree of loyalty was inspiring. There were times I didn't like Steel and I wanted to shake Breanna but that's what made these characters more than fictional beings. I especially loved the peek of Navajo life and tradition that Chiah Wilder graced us with. I'll look forward to reading more in this series.

Omg what an amazing book. All of Chiah's books are. This book made me smile and laugh and yes it made me cry big crocodile tears. Certain parts were very sad but yet I do like how she tells the truth and doesn't sugar coat nothing. Way to again I can't wait until the next book comes out. Loved loved loved this. Keep it up! When does the next book come out for the night rebels? Also liked how you brought back the yummy boy's from the instrugents mc. I missed reading about them.

I really love Chiah Wilders books, look forward to her books every time. There was so much truth in this story with families that have a love one addicted to drugs. We have the story of one love ones outcome in this story but not the outcome of another, so I'm thinking there might be a book in the future on this character in another book. 5 + Stars for this and all Chiah's books.

This book will rip your heart to pieces and have you crying for the characters!! The emotions in this story are so raw and so real if you can read this unaffected I would be amazed. This is not just an average MC story but a beautifully written story of family, love loss and heartbreak and of being able to love. Not many books move me as much as this one has

Found this MC book by accident. Glad I did loved the added Indian Reservation back ground . I have read a lot of M C Books so this was great that it added a different take on t here lives. Loved the added folklore about the Indians belief.in Mother Earth Great Sexy Biker finds his old lady cannot wait for the next installment Mimi
