2017 U.S. Coin Digest: The Complete Guide To Current Market Values

Synopsis

An invaluable resource! The 2017 U.S. Coin Digest is the most comprehensive color guide to all United States coin issues on the market. Featuring professionally vetted values, complete coin listings, detailed photos, and much more, U.S. Coin Digest is perfect for beginner and expert collector alike. Easy to use and easy to understand, U.S. Coin Digest answers all your questions about coinage from Colonial America to the present. Its unique "lay-flat" design makes it a wonderful handy resource tool while thousands of images make coin identification a snap. Each year, U.S. Coin Digest is expertly organized and revalued, meaning the information remains fresh. In addition, new grade values have been added where needed to reflect demands in the ever-changing marketplace. Whether sorting through a jar of coins or valuing a massive collection, U.S. Coin Digest is the perfect tool for the job. Inside you will find:

- All U.S. coin issues
- Real-world market values
- 2,000 color images for easy identification
- 11 grades of coin condition
- Coinage of Colonial America to today
- Bullion coins
- Private gold coins
- Mint and proof sets
- Coins of Hawaii, Philippines and Puerto Rico
- Errors and varieties

This is a great 2017 coin guide! It has lots of information, many large color photos, and details and prices for coins! You just can't beat the low price for this book! I will be upgrading my copy of this book each year!

For anyone interested in U.S. coins this book really covers everything. Easy to read and easy to find individual coins.

I think that this "red book" is more useful than the spiral-bound popular red book. It is easier to look up coins. It is limited to U.S. coins. It would be nice if there were a page or two in which I could look up pesos or francs, as they come up often in auctions.

best coin book

Great book

Well written, Easy to understand for the beginner coin collector yet filled with the necessary information needed for professional coin collectors. I will be buying this every year when it comes out.

redbooks are always good

not really what i expected
