Twenty Jazz Duets - Alto & Bari Saxes

Synopsis

Twenty Jazz Duets This collection of original jazz melodies was written using the chord progressions of jazz standards as their foundation. They can be performed as duets or solo, and the overall difficulty ranges from easy to moderately difficult. Various speeds of swing are employed, as well as bossa novas, waltz, samba, ballad styles. Rhythm section accompaniments are provided online. Each accompaniment goes through the song three times. Chord symbols are given above each melody, so you can also use these accompaniments to work on improvisation.
