Customer Reviews

great music book use it all the time

Just perfect

It was as described. Good condition and lots of music. Completely satisfied.

Great ! Almost every song I wanted is there.

Received it quickly and it is excellent reference book.

Perfect score book

Necessary for any Beatle fan wishing to play songs on guitar and the piano. A must for the fan's library.

I bought this product as "new" but packaged it in a very tight box so when I received it was damaged at the corners giving the impression I bought a used one. you should be more careful about this, otherwise I don't see any reason buying on the internet so It'll be best to buy it on a bookstore.
