Customer Reviews

Well, it seems like the boss was abusive and then the two slaves raped her at the end, basically. I wish more books like this had content warnings about there being abuse and rape fantasies. I love bdsm, but not this.

I really love this book. A new hired woman falls in love with her boss and becomes her slave. But she want to make her boss come, so she plot with the secretary to kidnap her and take advantage of her boss and mistress. Best ending ever

Reading this series for free is the best thing you can do for your pussy! The scenes are smoking hot. And if you are like me a submissive kind of lady...then you will love every thing this dominant does to her slave. Have your favorite toy near by you will need relief.
