Christian History Made Easy (Rose Bible Basics)

Synopsis

Christian History Made Easy WINNER of the Christian Retailers' Choice Awards 2010 for the "most significant new life-changing products in the Christian retail industry" in the Christian Education category Christian History Made Easy summarizes the most important events in the history of the church, from the time of Jesus to modern day. Author Timothy Paul Jones makes Christian history refreshingly fun while at the same time informing Christians about the history of the Christian faith. Full-color, 224 pages, paperback, 6 x 9 inches. Theologian J. I. Packer says Christian History Made Easy is, "...a beautifully simple, beginner-friendly telling of Christian history, a precious heritage." Christian History Made Easy Covers Major Events in Church History Early Church History The Early Church Peter and Paul, the Age of the Apostles, The Destruction of the Temple and Jerusalem scatters Christians Early Church Fathers Persecution of Christians Emperor Nero and Domitian, Martyrdom of Peter, Paul, Ignatius, Polycarp, Justin Martyr Christianity legalized in the Roman Empire, Emperor Constantine, Christianity the official religion in the Roman Empire The Byzantine Era The Council of Nicaea, The Nicene Creed Augustine, Jerome translates the Bible into Latin, St. Patrick Fall of the Roman Empire, rise of the Eastern Orthodox Church Gregory the Great, Rise of Monasticism Rise of Islam and the Islamic Conquest in Europe, Charles Martel, Charlemagne East/West Church Schism (Photian Schism), Leif Ericson converts to Christianity Great Schism, Hildebrand reforms the church, the Crusades, Lateran Councils, Richard the Lionheart Pre-Reformation Church History Middle Ages, Bubonic Plague, John Wycliffe, the Wycliffe Bible The Renaissance, Jan Hus, Joan of Arc, Ottomans capture the Christian city of Constantinople, Johann Gutenberg's printing press The Protestant Reformation Erasmus, Martin Luther, 95 Theses, Ulrich Zwingli, William Tyndale, King Henry VIII, The Geneva Bible, The Matthew's Bible, Church of England history, John Knox, Queen Mary Tudor, Queen Elizabeth I, King James Version Bible Galileo, Pilgrim's Progress, Quaker founded, first Protestant missionary societies The Great Awakening and Church History in America and Europe John and Charles Wesley, George Whitefield, Handel writes the Messiah, Sunday school is developed, John Newton writes "Amazing Grace." Customer Reviews

Church history is not about names, dates, and facts. It is about the flesh and blood people of God and the life and death issues that have shaped their struggles and joys for two thousand years. Christian History Made easy makes this story come alive. I recommend it enthusiastically! --Timothy George, Dean, Beeson Divinity School, Samford University Here you have a beautifully simple, beginner-friendly telling of Christian history, a precious heritage. --J. I. Packer ...an indispensable resource for the local church's member training curriculum. --Dr. Robert E. Johnson, Professor of Church History, Central Baptist Theological Seminary --Dr. Robert E. Johnson, Professor of Church History, Central Baptist Theological Seminary Dr. Timothy Paul Jones is a brilliant young biblical scholar who helps simplify the complex. His [resources] are great and sorely needed during our time when many are biblically illiterate and know even less about Church history. --Dr. Jerry Newcombe, author, TV host, and spokesperson for Truth that Transforms with Dr. D. James Kennedy (formerly The Coral Ridge Hour) Rose's product line includes a wonderful collection of high quality, visually attractive materials that lend themselves to learning the basics of the Christian Faith. In most areas where alternative views exist, they are faithfully presented leaving the reader to decide which best fits their understanding of scripture. I have used Christian History Made Easy for my Sunday school class and found it to be very well done. This book has a great collection of auxiliary Study Guide questions. The author, Timothy Paul Jones is obviously a practiced teacher. I used an early edition. The recent upgrade of this package looks even better. --Dr. Gene A. Stringer, Elder,

Christian Church of Ashland, Oregon

Timothy Paul Jones (Ed.D.) is professor in the School of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville, Kentucky. Formerly senior pastor of First Baptist Church of Rolling Hills in Tulsa, Oklahoma. In addition to bachelor's and master's degrees in biblical literature and pastoral ministry, Timothy earned a doctorate in educational leadership from The Southern Baptist Theological Seminary. He received the Baker Book House Award for excellence in theological scholarship, as well as the North American Professors of Christian Education Scholastic Recognition Award for his doctoral work in the field of spiritual formation.

We used "Christian History Made Easy" in our small group from church and had edifying discussions each week. We especially loved how the author emphasized humility as we studied some of the foibles of our spiritual forebears--realizing that we can't see our own blindspots. Our group also appreciated how the author made his wise choices of what to include--such the important contributions of women (often under-represented in re-telling of Christian history). There are so many things that could be discussed (and so little space to provide information!), but we felt that Jones picked the right things to expand upon. We held our last meeting tonight and all agreed that we understand better who we are from where we have come because we read this book together. Recommended.

This beautiful full-color book highlights the major personalities in Christian development over the last 2,000 years from A.D. 64 to 2009. It's a short book, so I confess I felt a little frustrated at the lack of depth. The book takes on a little too big a topic for 188 pages of text, and religion is a topic where oversimplifying by bouncing along the surface can distort as much as elucidate. Therefore, to get the full benefit of the book, treat it like an instruction course and take advantage of the internet research suggestions peppered throughout the text. But for my money (for a lot more money, I'm sure) I'd love to have 600 pages between the covers of this one. One other minor frustration: Jones is a Southern Baptist whose subtle preaching permeates the book. For example, Deism is at least twice referred to as a false doctrine. This is probably just a personal issue, but I find it easier to trust a scholar who does a better job of hiding his own religious bias. With my complaints out of the way, let me say that I thoroughly enjoyed reading the text! It's a fun read, full of tidbits from history and helpful explanations of Christian terms. Every Christian should know at least the basics of Church history, and I definitely

recommend this book as an entertaining stepping stone to whet your appetite for further in-depth reading.

Excellent book. We are using it in conjunction with a class at church, there is so much information which I would not have time to research myself, but the author has done it for me! Interesting, spans the years from Christ right to present day, with much salient historical information. I have learned much about the church's history and have a far better idea why we have so many branches to the Protestant church. Much explained about the rationale behind the crusades and other parts of history which are hard to understand.

We are reading it and watching the video. My wife and I are enjoying it.

Very easy to read with a lot of information, just like the title says. I've read it all the way through and have gone back for reference a few times since. I recommend this for people like me who want a quick history of the Christian religion that won't weigh you down with a lot of blah, blah. This is a good beginner book and it may even create interest to dig deeper into a more thorough examination of the history of Christianity.

Fast and the book arrived the way it was described.

This is a beautifully crafted book with many good illustrations, interesting facts, and helpful suggestions of places to search for more information. I keep this book on the coffee table, and my children have also been enticed to peruse the pictures and ask me about historical figures referenced. I feel like the information is true and credible; moreover, the information is arranged in a chronological fashion that is helpful.

All Christians should have a knowledge and understanding of Christ's church. This book is a very good introduction to that endeavor. Tracing and recapping how our fantastic God has worked throughout history has so much to help us with today. He is still sovereign and in control of the affairs going on in our world!
