Managing Chronic Health Needs In Child Care And Schools: A Quick Reference Guide (American Academy Of Pediatrics)

Synopsis

This all-new guide provides resources and strategies to help care for children with chronic medical conditions and special health care needs in the community and school setting. Covers a spectrum of chronic illnesses, acute situations, and selected developmental and behavioral problems, with a special emphasis on children with special health care needs. Includes more than 35 condition-specific quick reference fact sheets, signs and symptoms, when to call emergency services, medication administration, and ready-to-use sample forms and care plans.

Customer Reviews

Elaine A. Donoghue, MD, FAAP, is a general academic pediatrician at Jersey Shore University Medical Center and a clinical associate professor of pediatrics at the University of Medicine & Dentistry of New Jersey Robert Wood Johnson Medical School. She is past chair of the American Academy of Pediatrics (AAP) Section on Early Education and Child Care and a member of the AAP Committee on Early Childhood, Adoption, and Dependent Care. She previously served as medical director of Healthy Child Care New Jersey. Colleen A. Kraft, MD, FAAP, is an associate professor of pediatrics at the Virginia Tech Carilion School of Medicine and Research Institute, and Pediatric and transitional year program director, Carilion Clinic, in Roanoke, VA. She is a primary care pediatrician with Carilion Clinic Pediatric Medicine Associates and medical director of Medical Home Plus, a nonprofit organization that extends the reach of the medical home by connecting

families with community resources. ã ã Dr Kraft is a past president of the Virginia Chapter of the American Academy of Pediatrics (AAP) and currently serves on the executive committee of the AAP Council on Community Pediatrics and the Medical Home Initiatives for Children with Special Needs Project Advisory Committee.

This has easy to understand accurate information about chronic health conditions. Very useful for child care providers and school personnel. Included are handy sample forms.

Great resource--well organized so you can find the information you need quickly.

Excellent
