The Everything Guide To Study Skills: Strategies, Tips, And Tools You Need To Succeed In School!

Synopsis

Here's something worth learning: Studying doesn't have to be a chore! This fun and accessible resource provides the tools you need to develop better study habits, boost your grades, and position yourself for academic success. Educational consultant Cynthia Clumeck Muchnick uses a wide range of ideas taken from hundreds of students to help you find a unique, effective method suited for your individual learning style. You'll improve transcripts for college applications, ace standardized tests, and become a better student at any level of education. This indispensable guide shows you how to:

- Get the most out of class time
- Use the best strategies for note-taking and memorizing
- Improve writing skills
- Prepare completely for tests
- Safely and effectively conduct online research
- Use Skype, iChat, or social media to form study groups

With this guide in your backpack, you'll be able to balance school and activities, avoid pre-test panic, and achieve consistently better results.

Customer Reviews

Cynthia Clumeck Muchnick, MA is an accomplished educator, author, and educational consultant. She worked as an Assistant Director of Admission for both the University of Chicago and the Illinois Institute of Technology, taught SAT prep for the Princeton Review, and was a high school history teacher. Currently, Cindy is an educational consultant, privately counseling 8th- through 12th-grade students. She assists students with class selection, study and writing skills, planning extracurricular/summer activities, test prep, and college admission. She presents seminars and

workshops on high school and college success, writing college essays, the college application process, and study skills. Cindy is the coauthor of Best College Admission Essays.

Well received

Great advice. I recommend it for every student struggling with college. It has advice on note-taking, surviving difficult professors, how to review for exams and how to relieve stress.

My niece (high school freshman) found the book to be helpful.

Very good practical advice. Offers tips to high school students but they can also work for middle school students. Great guidance on managing stress as well.

I bought this for my daughter who is in middle school. This was a great help to her. She has it on her iPad and even shares suggestions with her teachers.

great guide for students. contains good tips to be a better student. As a teacher I have made some recommendations for my students and I always recommend this book to my students just entered.

Just what I expected and much more. Great info to share with my students!!The organization section is worth everything!!

Great book for a teenager to read!
