Thanks

Very simply to trade, only thing I didn't like is they are all one hour trades, but that's okay. This is a good book for beginners and intermediate, and people who don't have a strategy to follow, a

profitable one. I don't see a lot of trades for the 1-2 that I looked I choose, but that is okay, as long as they make me money, that's all I care about. I'm going to include it with my wkly. trading strategy's. Thanks for the eBook, a lot of choices to choose from. I will choose more later, when I have time to back test, and go over all of them. Thanks for the simply book Mr. Carter, I think you did an excellent job with it, I will be referring you to newbies.....:)

You dont need 20 forex trading strategies, you only need one that success in every currency pairs and high probably in every curcumtances.
