# The Best Australian Trucking Stories

## Synopsis

The trucker's job - so vital to our nation's everyday life - makes for a diverse treasure trove of stories. This first-ever collection of stories about Aussie truckers captures the humour, tragedy, and fascinating history of their world, proving once again that truth is often stranger, funnier, and more inspiring than fiction. The unlikely yarns and tales, collected by Jim Haynes, quickly transport the listener into the intriguing but often hard and lonely world of the long-distance truck driver. There are stories of endurance while crossing the Nullarbor in the early 1950s, of rescuing mates stranded in the desert and dumping wheat in protest at Parliament House, of repossessing vehicles in suburban Adelaide, and of men imprisoned during the long political battle to make the roads of Australia free to carry freight. Steeped in larrikinism, these are salt-of-the-earth Aussie voices from the most genuine characters to ever spin a yarn. Whether you're interested in one of the most significant social revolutions to have shaped our nation, or in these never-say-die modern pioneers who astound with their resourcefulness, or whether you're just after a laugh and a bloody good story, this book is for you.

## Book Information

Audible Audio Edition

Listening Length: 7 hours and 36 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Bolinda Publishing Pty Ltd

Audible.com Release Date: October 1, 2012

ASIN: B009JY7628

Best Sellers Rank: #165 in Books > Audible Audiobooks > Nonfiction > Transportation #325 in Books > Engineering & Transportation > Automotive > Trucks & Vans #419 in Books > Business & Money > Industries > Transportation

## Customer Reviews

Bit of history. Few anecdotes. Was okay.

Decent reading, but I don't know anything about Australia, so the roads and places were foreign to me.
