The Miss Nelson Collection

Synopsis

The three classic school stories. Accept no substitute. More than forty years ago Viola's Swamp slinked into Room 207 at Horace B. Smedley School and whipped Miss Nelson's terrible, rude, worst-class-in-the-whole-school students into shape. In the intervening generations since the publication of *Miss Nelson Is Missing!*, millions of children have been fascinated by the legend of Miss Swamp. A diabolical creation from the minds of Harry G. Allard and James Marshall, Miss Nelson's alter ego illuminates the folly of misbehavior through amazing feats of disguise. And she's never been more hilarious than now! For the first time ever, *Miss Nelson Is Missing!*, *Miss Nelson Is Back*, and *Miss Nelson Has a Field Day* are available in one volume. This comical, collectable treasury of stories is a must-have for teachers and their mischievous students everywhere.

Harry Allard is the author of many hilarious books for children, including several *Miss Nelson* and *Stupid Family* titles, all illustrated by James Marshall. James Marshall (1942–1992) created dozens of exuberant and captivating books for children, including *The Stupids*, *Miss Nelson Is Missing!*, and the ever-popular *George and Martha* books. Before creating his canon of classic, hilarious children's books, James Marshall played the viola, studied French, and received

a master's degree from Trinity College. He also doodled. It was the doodles, and the unforgettable characters that emerged from them, that led him to his life's work as one of the finest creators of children's books of the twentieth century. In 2007, James Marshall was posthumously awarded the Laura Ingalls Wilder medal for his lasting contribution to literature for children.

I loved this series growing up so it was only natural that I get them for my 4 year old. Turns out my 12 yr old loves these stories more than me. So there was this argument over who would read them to the 4 yr old. Lol! So we've been taking turns reading and listening to these stories. I will say that Viola Swamp is my favorite character.

Viola Swamp is just as I remembered from elementary school. Every year our librarian would dress up as Coach Swamp, and I was thrilled to be able to share these stories with my own children. So excited to have all three books in one spine. My 5 year old twins (and 2 year old son) love reading "Miss Nelson" at bedtime.

This was my absolute favorite book as a little girl, so when I saw it on the website I just had to get it for my daughter! I was so happy that it came in not only hard copy but also with all three stories. My daughter absolutely loves this book!

Great books that my 5 year old loves. I remember reading them as a kid and liking them and I was happy to be able to now read these to my son and make him happy.

Fun book. Interesting stories. Our 4yo had it read in school and asked to have it at home too. Likes it a lot.

Ever since this book was read in daycare to my daughter, she has been obsessed with Miss Viola Swamp! Nice hardcover on the book. I have to say that my daughter truly only has me read the first story to her, "Miss Nelson is Missing." But the price was right especially for having 3 books in one.

A gift for my school library.. even though I have been retired (school secretary) for 8 years the library is still my passion that young children have new books to readfor every book I buy for myself I buy one for the school.....

I remember reading these when I was a kid, and now I read them to my daughters. Great collection.
