Dale Chihuly is a leading figure of contemporary glass and has exhibited extensively in the US, and internationally from Venice to Jerusalem, Iceland to Japan.

Fire * Dale Chihuly, the long-awaited companion book to Chihuly: Form From Fire, showcases the handblown glass sculptures of Dale Chihuly in over one hundred full-color photographs taken across the globe in locations reaching from Jerusalem to Indianapolis; Las Vegas to Chihuly's hometown of Tacoma, Washington. Following his nearly four-decade career, the photographs, selected by Chihuly himself, show the best of each series, offering a comprehensive visual overview of his work. Fire features Chihuly series such as Fiori, Reeds, and Towers, which did not appear in Chihuly: Form From Fire. Selected quotes from critics, friends, and Chihuly introduce sections dedicated to Ice & Neon, Cylinders, Baskets, Seaforms, Macchia, Persians, Venetians, Ikebana, Niijima Floats, Chandeliers, Reeds, Towers, Jerusalem Cylinders, Fiori, and Installations. An essay

by independent curator Margery Aronson follows Chihuly's career in narrative format and highlights how his efforts have stimulated glassblowing culture around the world and specifically in the Pacific Northwest through programs such as the Pilchuck Glass School, Hilltop Artists-in-Residence, and Seniors Making Art, which have inspired similar programs elsewhere. A chronology concludes this presentation of the art of Dale Chihuly. Forty-eight additional photographs illustrate Chihuly's life, family, and friends, and the book closes with a complete list of museums where his work can be found. 2006 Hardcover 9 x 12" 176 pages, 101 Color Reproductions

Beautiful book filled with beautiful photos of Dale Chihuly's amazing art. If you are a fan of his or even if you aren't this is a great coffee table book. I purchased it for my uncle, a fan of glass artwork, for Christmas. He was not familiar with Chihuly's work. Now he is! So happy I found this.

Awesome book for a great price! Thanks so much!

Yes it is a beautiful book! I saw his glass sculptures in Seattle May 2014 and wished to purchase one of his books

Love the story and photography. Interesting and beautiful

After seeing Chihuly glass in person, I had to have a book that showed as many photos as possible. FIRE was a perfect choice.

I got this book for my girlfriend after seeing some of Mr. Chihuly's art at the local museum. The pictures shown in this book are very well done. Some of the things that are done with glass are simply amazing. And to think some of these pieces are over 10 foot tall. If you are a Chihuly fan, this is a great book, and makes it a great buy.

This is a gorgeous coffee table book that allows those of us who cannot afford to buy a Chihuly sculpture to own them all. Having seen several Chihuly's in person, this book is the next best thing. Another plus is that it includes a photo of his installation at The Children's Museum of Indianapolis (where I happen to reside). This book was a great way for me to share that with family members that don't live here and entice them to come for a visit. Good for Chihuly lovers and newbies alike!
