# Brinkley, American History, AP Edition (A/P US HISTORY)

## Synopsis

Aligned to the latest AP standards, American History, AP edition, shows students that history is not just a collection of names and dates, but an ongoing story which teaches us about the present as well as the past! Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling text invites students to think critically about the many forces that continually create the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and of our understanding of its history—our understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, a brand new pedagogy program, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story.

## Book Information

Series: A/P US HISTORY

Hardcover: 1024 pages

Publisher: McGraw-Hill Education; 14 edition (June 3, 2011)

## Customer Reviews

In addition to being a best selling textbook author, ALAN BRINKLEY is the Allan Nevins Professor of History and former Provost at Columbia University. He is the author of *Voices of Protest: Huey Long, Father Coughlin, and the Great Depression*, which won the 1983 National Book Award; *The End of Reform: New Deal Liberalism in Recession and War*; and *Liberalism and its Discontents*. His most recent books are *John F. Kennedy: The American Presidents Series: The 35th President, 1961-1963* and *The Publisher: Henry Luce and His American Century* both published recently. He

was educated at Princeton and Harvard and taught previously at MIT, Harvard, and the City University Graduate School before joining the Columbia faculty in 1991. In 1998-1999, he was the Harmsworth Professor of American History at Oxford University. He won the Joseph R. Levenson Memorial Teaching Award at Harvard in 1987 and the Great Teacher Award at Columbia in 2003. He is a member of the American Academy of Arts and Sciences, a member of the board of trustees of the National Humanities Center and Oxford University Press, and chairman of the board of trustees of the Century Foundation. He has been a visiting professor at Princeton, the Ecole des Hautes Etudes en Sciences Sociales (Paris), and the University of Torino (Italy). He was the 1998-1999 Harmsworth Professor of American History at Oxford University.

It's rare to find a comprehensive textbook on American history written by a single author, but there may be distinct advantages to that, as exemplified by this book. Brinkley gives a readable and unified perspective that reads less like an anthology, more common in multi-authored texts, and less bogged down in chronological listing of historical details, giving a clearer overall interpretation. He writes well in lively prose, making the book fun to read. Abundant maps and illustrations help to give a "You are there" sense.

This text was geared to the high school reader. It was required for the course which I took at a Community College. It leaves out many important things by skimming over them. Timely shipping from the vendor, however.

good book, straight forward info. good stories. lots of meat and potatoe information.

I purchased this book to review for my Teacher Certification exam. It is extremely informative and easy to read. The set up is comprehensible. I highly recommend this book to supplement as a curricular guide and study aid.

As described. There were more highlighted pages than I was expecting. The condition of the book was good. Overall, satisfied with the purchase

very helpful

Only received half of the book, the second volume of Brinkley. Cover didn't match the image, neither

was the book in hard cover. I'm very disappointed

This book was supposed to be in "good" condition. It is not. The cover is ripped, all the pages in the first two chapters are highlighted and the book stinks ! Not very happy about this purchase .
