A Summer Secret (The Mysteries Of Middlefield Series)

Synopsis

In the Mysteries of Middlefield series, readers will be immersed into exciting mysteries and authentic Amish culture. With a twin brother and five younger brothers, Mary Beth Mullet's house is in constant chaos. Her parents don't seem to mind the noise, but she needs a break from all the pestering and babysitting. It's the summer before eighth grade, and Mary Beth plans to escape to her secret place as much as possible. The old barn in the neighboring field is dangerous, and her parents have forbidden her to go there, but she escapes to it as often as she can. Mary Beth soon discovers she is not alone in the barn. Someone is living there; someone who needs help. Can Mary Beth help the stranger without losing her secret place? And what if the barn is as dangerous as her parents say it is? Readers will identify with Mary Beth's struggles for peace and independence and be engrossed in the excitement and danger of *A Summer Secret*.

Customer Reviews

This is the by far the best of the series she has written. Has no romance(which I hate in books) and it has a solid message. The thing I would have done different is put a little more action and make it more intense. All in all this is an excellent book I have book 2 and I can hardly wait to start reading it.

It's great to see how Sawyer came into the picture although we were told about him being helped.He has turned into a fine young man.

This was the first book in the Mysteries of Middlefield Series. I found it very entertaining with all the twists and turns and I found myself very concerned at various points for the characters. I love to read books about the Amish and some of their ways of life and I have never been disappointed in any of the books that I have read by Kathleen Fuller and this one was no exception.

I have read both of Kathleen Fullers other books,and true to form, just as interesting as both of them. Shes a very good Amish fiction author and right up there with the Beverly lewis, wanda Brunstetter and will continue to buy any books that come out by Ms Fuller. Its kept me in suspense and i would recommend any and all of her books. I have a huge library of amish fiction books and she is one of the finest authors out there.
