# McNally And The Shenandoah (McNally Series Book 2)

## Synopsis

Beauty can belie the evil underneath. The beauty of the Shenandoah Valley hides sinister individuals and protects them from facing justice. The Valley people found it easy to turn their back on the evil, as long as it didn't touch home. When it touched the life of a Texas Ranger, justice comes and it is blind.

## Customer Reviews

But when family turn against each other, then something has to be done. Pete McNally is after a child killer and won't stop until justice is served.

Page-turning action as the Ranger tangles with the close-knit families of the Shenandoah valley and finds nothing is tighter than family loyalty, even when members of the family are sadistic killers.

Great characters who make the Hatfields and McCoys somewhat tame by comparison. Far more than moonshiners, these are killers without remorse who even find excuses to kill their own children. And they must be stopped. Well worth the time.

I just get tired of books where it is a downer all the time, and the start of this book was like this. Some authors need to lighten up a bit and give us a bit of cheer at some point. The first part of the book was somewhat difficult to stay with because it was such a downer, but the 2nd half got a little better.

Interesting read. Misspellings and some misuse of the English language, but an easy read and quite interesting. The description of the mountains was good.

McNally is a tough, no give up ranger who endures beatings, harsh weather, and non-cooperative family members to get his man.

Another good one by Hudgins about McNally the Ranger. Enjoy reading his books He keeps you pulled into the story. Had to read it through.

Enjoyed the book

Really. Good. Read down in. Them. Hills. Couldn't. Imagine. Some. One. Who. Would. Beat. A. Four. Year. Old. Girl. With. A. Bull. Whip. Worth. The. Reading. Time. Thanks. Carl Andrews
