# The Puritan Way Of Death: A Study In Religion, Culture, And Social Change

## Synopsis

The Puritan Way of Death is more than a book about Puritans or about death. It is also about family, community, and identity in the modern world. Even before publication, eminent historians, sociologists, and religious scholars in the United States and Europea-among them, Gordon Wood, Philippe AriÃƒÂ“s, William Clebsch, and Robert Nisbet-hailed it as a "pathbreaking, provocative, and exciting" work, a "terse, urbane, learned, clear, humane" volume. --This text refers to the Paperback edition.

## Book Information

Hardcover: 236 pages

Publisher: Oxford University Press; 1ST edition (October 13, 1977)

Language: English

ISBN-10: 0195022262

ISBN-13: 978-0195022261

## Customer Reviews

"A bellwether book--an intelligent and highly original study of seventeenth-century attitudes toward death. The book rests upon a strong command of social science literature and is written with style and grace."--David Hackett Fischer, *The New Republic*"Stannard skillfully weaves diverse rich sources into this interdisciplinary study of death--a common human concern. His study of the Puritan way of death sets the tone for all the following eras of American culture."--Mary Pope, Westmar College --This text refers to the Paperback edition.

David E. Stannard is at University of Colorado. --This text refers to the Paperback edition.

This book tells how a devout group of Christians lost their way because of disease and other factors beyond their understanding. They resorted to believing in supernatural forces out of their power to

control. That belief became so strong that they resorted to extremes like the Salem Witch Trials to rid the communities of satanic evil. Their belief system was so colored that one can see their warped mental images even in their children's grave markers. David E. Stannard has put all these elements together in an informative and interesting book that helps his readers appreciate the difficulties that the Puritans had to become a Godly community for others to emulate.

Arrived in fine shape

Thanks

Quite unlike other non-fiction I've read, not only is this book packed with history and invaluable information but, like excellent fiction, it was impossible put down! Mr. Stannard's writing is exquisite -- he made the historical figures he wrote about truly come alive for me. I recommend this book to anyone who would enjoy a good read --- be it fiction OR non-fiction.

Puritans are sack yo they be all like "hey we want to practice our s\*\*\*\*" but then they go to america and when others want to practice they s\*\*\* they be all like "no our s\*\*\* is correct and you are are wrong"

An interesting and informative book for anyone interested in American Studies.
